<https://websmp108.sap-ag.de/~sapidp/011000358700006422322006E>

We differentiate our training from others by delivering Role-Based SAP instruction rather than SAP Product focused Training.

SAP IT Excellence Web AS Administrator for Oracle Certification Preparation Training

The certification test consists of questions from the areas specified below

1. SAP Web AS Fundamentals (++)

- SAP Solution Offering
- Navigation
- SAP System Architecture
- Enterprise Services Architecture
- SAP NetWeaver, Overview

2. SAP Web AS ABAP IT Excellence (+++)

- Starting and Stopping SAP systems
- Configuring SAP Web AS ABAP
- Configuring Remote Connections
- Patching SAP Web AS ABAP
- Scheduling Background Jobs
- Technology Components for Browser-based User Interfaces

3. SAP Web AS Java IT Excellence (+++)

- Java Basics (non-programming topics)
- Starting and Stopping SAP Web AS Java
- User Management in SAP Web AS Java
- Patching SAP Web AS Java
- Software Logistics for SAP Web AS Java
- Monitoring SAP Web AS Java

4. Software Logistics (++)

- SAP System Architecture from a Software Logistics point of view
- TMS and Transports
- Client Tools
- Note Assistant

5. SAP Web AS Operation IT Excellence (+)

- Basic Monitoring Tasks
- Simple Problem Detection

We differentiate our training from others by delivering Role-Based SAP instruction rather than SAP Product focused Training.

SAP IT Excellence Web AS Administrator for Oracle Certification Preparation Training

6. SAP Solution Management IT Excellence (++)

- Solution Manager Architecture
- Service Desk
- Administrative Tasks
- Solution Management Tasks

Topic Areas Subtest "Database" - You must pass this component to become certified

1. Database Overview (++)

- Database Architecture
- Startup and Shutdown
- Connecting to the Database
- Database Administration Tools
- Administration of Oracle Instance

2. DB Operation (+)

- Database System Check
- Backup Handling and Tools
- Housekeeping and Troubleshooting

3. DB Storage Management (+)

- Introduction to Oracle Data Management
- Tablespace Administration

+	= 1 - 10%
++	= 11 - 20%
+++	= over 20%
